

AKTAŞLAR

FLORİSTİK

*Aktaşlar Floristik is a Company That operates in Silivri İstanbul.
We are Producers and exporter of hand natural decorative craft.*

*We are one of the most of hand made natural decorative craft.
We are one of the most important company in this branch. From Producing till delivery we're
working strict to make you the best prices.*

*Our mission is to present you leading good's to best conditions.
Our vision is, with our good that we have already produce and goods
we are going to produce in the future, to be a leading company in this branch.*

*The first step to reach our intention was to take the 3rd place of exporters
from the foreign trade ambabbady / republic of Turkey*

Our intention always faster - better quality - best prices
